

Al Hassan, Lighting Division launches state-of-the-art Light Application Centre

MUSCAT: Al Hassan Electricals Co. (AHE) – Lighting Division recently inaugurated its state-of-the-art Light Application Centre (LAC) at Shatti Al Qurm, Muscat.

AHE Lighting Division is also well known for providing lighting solutions and is considered as one of the market leaders in the Sultanate of Oman.

It represents internationally renowned lighting brands like Zumtobel, Artemide, WEEF, Endo, Delta Light, Roblon, Lutron, Rovasi, Regiolux, Vimar, Rovasi and many more.

Upon visiting LAC, one can experience many lighting applications for various sectors such as hospitality, retail, leisure, industry, etc. The centre offers to customers multiple options and choices

to compare with various lighting solutions or designs and technologies. It also offers a wide comparison between LED and conventional lighting.

Speaking on the occasion Chairman, Al Hassan Group of Companies said, “At Al Hassan, we always

strive to create more value for our customers, and LAC has been designed with this objective. LAC is a niche offering that clearly demarcates and addresses the specific needs of a consumer and helps us provide more value based solutions. “The centre is equipped with

state-of-the-art technology and is managed by a professional team that guides the customer through a wide spectrum of lighting fixtures. We are certain that it will strike a chord with our customers.”

LAC is now open to the public from 10am to 10pm every day.
